# SECURE PASSWORDS

# The digital world is like the physical world

# Don't use the same password for everything

## Use safe password (long ones !!)

## Use 2FA systems

SMS or single-use code generator

## Activity:

**Let's create a strong  
password!**

## WHAT NOT TO DO :

- Complete words or dictionary words, for example: snail.
- Child's date of birth.
- Private or public information about you or your family.
- Sequential numbers.
- Repeated numbers.
- Any combination of the above.

Example(BAD!): **snail1234**

## WHAT TO DO

- It should be a combination of upper and lower case letters.
- The above + **numbers**.
- The above + **special characters**.
- If possible: **easy to remember**.
- The longer the better: use phrases. If possible easy to remember

Example (GOOD): **iT3d4\$Cu333n!**

**FOLLOW ALL THE STEPS AND  
CREATE YOUR STRONG  
PASSWORD.**

**THEN SHARE IT WITH THE  
CLASS.**
