Conspiracy theories

Creative writing

Invent a story that includes all the elements of a conspiracy theory.

- You have complete creative freedom: you can invent the characters, the time of the story, and the place where it happens...
- Remember to include all the elements that usually make up conspiracy narratives.
- When you finish, you will have to read it to your classmates and discuss with them how you incorporated the logic of conspiracy theories into your story.

Elements that characterize a conspiracy theory:

1.

Secret and hidden control

2.

Distrust of authorities

3.

Simple explanations for complex events

4.

Lack of solid evidence, exploitation of cognitive biases, or logical fallacies

5.

Confirmation cycle

Then remember to share it with your
classmates.
**Let your imagination take off, just like a
conspiracy theorist would!**
